

China Cell Phone Rental

PandaPhone is specialized in offering cellular phone rental to tourists in China. We are committed to solve your communication needs - business or leisure, during your staying in China. By reserving online, you can know your phone number even before you leave home. Currently we only cover mainland China. We do offer service in Hongkong, but due to legal regulation and telecommunication regulation, we only offer delivery in US and Mainland China, please email us at service@pandaphone.com in advance for reservation.
